Value Added Services

6 Check Services

Some businesses still thrive on checks, and rely on turning that money into cash quickly for their business. Offering a check verification program will help your customers prevent loss to their business by avoiding taking bad checks.

7 Gift Cards

Every business wants or needs the ability to accept gift cards. Offering this service is easy and you can show them how this will increase business and loyalties long term.

8 Business Financial Services

(Cash Advances for Merchants)

Offer merchant the opportunity to borrow against their processing, so they can put that money into more inventory or growing their business.

"In one year I doubled my residuals from \$2,012 a month to \$4,041 a month.

The following year my residuals were at \$6,891 a month. First Financial gives you the tools...you just need to apply what you've learned."

-Mark M. Hampstead, NC

"I bought my house because of First Financial, they always knew my goals and kept me on track."

-Kent G. Medina, OH

"The great thing about First Financial is that you can have a steady income and build a monthly residual... and that's what made it such an easy transition for me- I knew the power of residual."

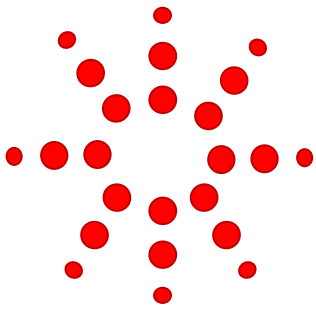

-Brett K. Finksburg, MD

"In less than 2 years I'm making over \$5,000 in residual income per month and I just wrote a restaurant deal that paid me \$1,400 in up front commissions!"

- Brian N. Storm Lake, IA

"When I looked at the whole picture of First Financial and I saw what you were doing and how you were doing it, I didn't see anything out there that even came close! It really seemed like the type of organization that I wanted to be a part of."

- Tim - Indianapolis, IN

I received a bonus by helping every client that I could, who in-turn sent me referrals, so that I was able to meet my goal of 20 accounts in 60 days. Seize the moment!!!"
Aaron - Evansville, IN

"The support at First Financial is great. The agent director that they assign to each individual sales rep is there to answer any questions for you. If you are with a client that has a question, you are able to pick up the phone and ask your Agent Director. With the support that they provide you- you are working your own business, but you're not by yourself."
-Emilio - Coral Springs, FL
